## Na Koro Putt Putt Mini Golf

The Mini Golf course layout was conceptualised by 3D CONCEPT out of Australia. Decorative features like the landscape, hardscape & sails were designed in-house, especially the pond which was proudly perceived by our very own chief engineer, Peter Zimmermann, who also coined the name for the course.

All construction was done by our hardworking Projects & Engineering Team.

To blend in with the surrounding Fijian theme, areas like the village site and the Fire walking arena, 80% of the building materials used were timber, mostly pine wood. To maintain a natural look, all timber were left unpainted, except for the entrance bure. The fence was made out of bamboo straight from Nadromai village.

## Resort Soccer Team Champs for 2008 Fiji Business House Competition

The Shangri-La's Fijian Resort & Spa soccer team was crowned the Cup winners in the Fiji Business House 2008 competition held in Ba, renowned as the Soccer Town of Fiji. There were over 20 teams from all over Fiji who represented their respective companies competing to win the prestigious Business House competition. With only three weeks to prepare and despite not being able to train, team members were encouraged to do their own individual training.

The first game set the pace for the Team with a close 3-0 win over favourites Bomco, a team that included some national reps from Ba. The second game was lost by 1-0 to defending champs Dominion.

The semi-final was a fiery event played against Nestlé, a team from Ba with the opposition scoring the 1st goal in less than 5 minutes. The team regrouped and came back more determined, scoring two goals to advance to the finals. The finals were against William & Gosling who fielded experienced players, regulars in the local soccer league competition. This nail biting encounter saw William & Gosling scoring in the first 10 minutes of the match and a come back from the Shangri-La team replied scoring with only two minutes left before the 1st half finished. Determined to win the team made a strong come back in the second half scoring two more goals to end the match with a 3-1 win over their opponents.
